26) A decision has been taken that there is no justification for giving the allowance in this case. The argument that duty allowance is usually given in such cases cannot prevail against definite orders passed on the merits of this case. As I have already said before, there are no reasons for reconsideration. It would be a deplorable practice and to reopen questions finally settled after due consideration.

27) While the Dir I & C recommended that the officer may be paid a duty allowance of Rs 50 p.m. the present position is that he has lost even the duty allowance he was drawing from Oct 1941 i.e. 20% of his pay. Even the suggestion that he may be given 10% at least — consistent with existing provisions does not appear to find favour in this particular ~~case~~ instance. 	48) The Committee for rationalisation of allowances have catalogued only certain gazetted posts to which Duty allowances, termed as "Special Pay", may be attached. They have also enunciated certain general principles which should guide the determination of any such question of grant of Duty allowance. Relevant portions of the Report are extracted hereunder.
	49) Duty allowance is admissible under Article 17 clause (a) of the Mysore Services Regulations to an Officer in addition to pay or salary, in consideration of the specially arduous nature of his duties or of increased work or responsibility or for the discharge of duties which do not properly belong to his Office or for which there is no sanctioned appointment. It is not difficult in practice to find specious or subtle arguments to urge that duties annexed to any Office or Post carry a heavy responsibility; and to draw invidious distinction in order to make it appear that one kind of work is a little more arduous than another.
	50) It is the considered opinion of the present Committee that while there is undoubtedly a justification for the grant of such allowances in case involving specially hazardous or arduous duties such instances cannot but be limited; and that it is possible to make a list of such posts after careful scrutiny. It is only these listed posts that should carry the allowance and any additions thereto ought to be made only after the most careful scrutiny and for very good reasons. The fixing of Special Pay for these selected posts has

to be recognised in principle. Otherwise, there will be no urge or incentive to take up such work as the most suitable persons possessing special talent and aptitude will not be attracted thereto.

* * *

51) Having taken the several factors urged into consideration, and having consulted some of the Heads of Major Departments, this Committee feel that normally such special pay should be fixed at 10 per cent of the pay of the post and in no case exceed 20 per cent ; and that in the case of Assistant Commissioners or Officers of corresponding grade and status in other Departments such special pay should not exceed Rs.50/- per mensem, Rs.75/- in the case of Senior Assistant Commissioners and Officers of corresponding grade and status and Rs.100/- in the case of Deputy Commissioners and Officers of corresponding rank and status.

* * *

52) It may not be out of place in this context, to suggest that temporary posts involving duties of a special nature and justifying the grant of special pay, should not, as far as possible, be allowed to continue indefinitely. If indeed, after a careful and minute review, continuance of any such post or posts for long period exceeding five years, is considered very essential, the proper course would be to declare them as quasi-permanent under Article 38 of the Mysore Services Regulations and fix suitable scales of substantive pay therefor instead of granting extra allowances. Needless to mention, the number of such posts will have to be restricted to the absolute minimum necessary. Again, whenever an

addition is inevitably made to the list of posts catalogued in Statement No.I, the special pay to be fixed therefor should not, except for very strong and special reasons, exceed 10 per cent of the substantive pay of the post, subject to the minimum and ceiling indicated above.

OFFICE OF THE DIRECTOR,

Ref. No. D6-172/46-47

Bangalore-1, 3rd May 1954.

To Gen. 2

The Secretary to Government,
Development Department,
B A N G A L O R E .

Sir,

SUBJECT:-Duty Allowance to the post of Senior Auditor of this Department.

I write to state that the Duty Allowance of 20% of pay attached to the post of Senior Auditor of this department according to G.O.No.D.438-9/I&C.426-46-2 dated 26-7-1947 is not being drawn from 6-1-1954 as desired by the Accountant General in his letter No.220/TAD.XIV/A2 dated 21-1-1954 (copy enclosed). A copy of letter No.Fl.6496 dated 6-1-1954 of the Secretary to Government, Finance Department adverted to by the Accountant General is also enclosed.

2. The duties of the post of Senior Auditor of this department are onerous and are quite different from the duties normally discharged by the other Suerintendents of the State Accounts Department as explained in detail in this office letter of even No. dated 15-5-1947. Subsequent to 1947, the work of the Senior Auditor is further increased by (i) the amalgamation of the Textiles Department with this department and (ii) the Accountant General taking over the audit functions from 1-4-1950. The amalgamation of the Textile Branch has brought about the addition of four more audit clerks to the supervisory control of the Senior Auditor. The numerous changes introduced at the instance the Accountant General in the accounting system of the various Commercial Concerns and the recent change over in the treatment of some of the Commercial Concerns into departmental units has contributed a good deal to the further increase of work in the Audit Section and the Senior Auditor has been required to settle all complicated points arising in these concerns and departmental units during the working of the revised accounting system.

3. Taking into account all these factors, Government were pleased to clarify to the Accountant General that the Duty Allowance of 20% of pay sanctioned in G.O. dated 26-7-1947 was outside the perview of G.O.No.Fl.7235-7335/S&A.137-49-2 dated 17-3-1950 according to which the rate of deputation allowance was generally reduced to 10% of pay (Vide the clarification referred to by the Accountant General in his letter No.921/IAD dated 20-1-1951) (copy enclosed).

4. I understand that Duty Allowance at 20% of pay is being allowed to the Officers and Staff of the State Accounts Department deputed to the K.G.F. Mining Companies and till recently the Superintendent of the State Accounts Department deputed to the Government Porcelain Factory for work as Financial Advisor to the General Manager was being given a duty allowance much in excess of 20% of his pay.

5. Taking into consideration on all the aspects of this question and the nature of the duties and responsibilities entrusted to the Senior Auditor of the Department and the conditions under which his work has to be carried out, I consider that it is necessary that a fixed duty allowance of Rs.50/- p.m. is allowed to the post of Senior Auditor of this department in the interests of work and request that this proposal may kindly

Provision for the expenditure on this account was already made in the Budget Estimates for the current year since the communication from the Accountant General was received subsequent to the preparation of the Budget and sanction for the payment of the allowance was current up to end of 5-1-1954.

Yours faithfully,

I write to state that a Deputation(Duty) allowance of 10% of salary is sanctioned to the officers and officials of this Department deputed for work in other departments of Government.

Yours faithfully,

(H. RAMA RAJ URS)
CONTROLLER.

Subject:- Grant of Deputation Allowance to the Senior Auditor of the State Accounts Department, posted for audit work in the office of the Director of Industries and Commerce in Mysore, Bangalore.

--- --- ---

1. The Senior Auditor's post of the Industries and Commerce Department is held by a Superintendent of Controller's Office (Now State Accounts Department).

2. He was being paid a duty allowance at 20% of his pay from October 1941. In connection with a reference made by the Accountant-General whether the allowance should continue to be admitted at 20% of pay, the allowance was ordered to be discontinued by the Minister for Agriculture (who was in charge of the duties of the Minister for Industries on deputation) vide order No. Fl.6496 dated 6-1-1954.

3. The Director of Industries and Commerce, in his letter dated 3-5-1954, states that the duties of ~~the post of~~ the Senior Auditor of the Industries and Commerce Department are onerous and are quite differen from the duties normally discharged by the other Superintendents of the StateAccounts Department and recommends that the Officer may be paid a duty allowance of Rs. 50/- p.m.

4. It was suggested that, pending rationalisation of allowances, the matter may perhaps be re-considered, and an allowance of 10% of the salary, which is usually paid in such cases, may be allowed in this case also.

5. The Financial Secretary opined as follows:-

"There appear to be no fresh grounds for reconsidering the orders passed as late as November last The question may, however, be brought up before the Special Committee for rationalisation of allowances."

6. The Controller, State Accounts Department, who was requested to intimate the amount of Deputation allowance sanctioned to Officers of the State Accounts Department deputed for work in other Departments, has stated that a Deputation (Duty) allowance of 10% of the salary is given to such officers.

7. In view of this, the Financial Secretary was requested to agree to the proposal made in para 4 above.

8. The Financial Secretary has noted further as follows:-

"A decision has been taken that there is no justification for giving the allowance in this case. The argument that 10% allowance is usually given in such cases cannot prevail against definite orders passed on the merits of this case. As I have already said before, there are no reasons for reconsideration. It would be a wholesome practice not to re-open questions finally settled after due consideration."

~~Orders of the Ministermare solicited on the proposal regarding the grant of deputation allowance to the officers.~~

9. The Advocate-General has noted further as follows:

Duty allowance to the Senior Auditorin the I & C. Department.

When this matter was discussed by the Minister for Home and Industries with the Director of Industries and Commerce and other officers on the 15th December 1954 ~~when the above minute was~~ [the minute at paras 32-35 was] recorded, it was thought that the Auditor in question was in grade Rs. 300-500 and was drawing a pay of about Rs. 400/-. Duty allowance ~~at~~ 10% would be Rs. 40/- and at 20% it would be Rs. 80/-. A via media lump sum allowance of Rs. 50/- was, therefore, suggested. It ~~was~~ [is since] noticed, however, that the Auditor is in grade Rs. 180-10-300 and he is drawing a pay of Rs. 250/- [only]. Rs. 50/- would therefore actually be 20% of the pay and will not be a via media. The Director's recommendation is that ~~this~~ [the allowance] Rs. 50/- which he was drawing before might be continued.

In the circumstances of the case, perhaps an allowance of Rs. 35/- may be sanctioned.
